

BLONDE BOSS

Become the expert your blonde clients are looking for. This two-day advanced workshop led by Jessica Bartolucci and Chris Combs takes the guesswork out of blonding and equips you with the tools to confidently create custom results—every single time. Here's your chance to be known as the Blonde Boss in your salon by mastering many facets of the blonding process, ensuring an all-encompassing understanding from the initial consultation all the way through the appointment including post-service maintenance.

Why Attend?

Whether you specialize in natural-looking blondes or bold transformations, you'll leave with a refined approach, deeper understanding, and immediate strategies you can take back to the salon.

Here's what you'll master:

- Advanced Blonde Formulations
- Time-Efficient Techniques
- Dimensional & Intentional Blonding
- Consultation to Maintenance Pro Tips
- Live Demos & Hands-On Sessions
